

Dogs and Ducks

Happy Feet Kids' Club Running Game

1. One boy and one girl are dogs. They stand in the middle of the field barking. They are the taggers or "IT".

2. The rest of the kids are ducks. They stand on the side of the field quacking.

3. Teacher yells, "Go," and all the children run. The ducks try to go across the field and back without being tagged. If they are tagged by a dog then they join the dogs in the center of the field and are also "IT".

4. Teacher waits until all the children have gone across and back and then yells, "Go," again. Play continues like this until all the ducks turn into dogs.

5. Play and have fun!

Arf, arf, arf! Quack, quack, quack!

6 Finish with a lap of the field or a hike.
