

Yellow Jello Relay

Happy Feet Kids' Club Running Game

1. Prepare 100 word cards (20 of each of the following colors: blue, red, yellow, orange, and green.) Place each set in a color-coded deep box or bin.

You will also need 1 clipboard for every team of 2 children. Write their names on the top of the paper.

2. Kids stand on the field with partner

wiggling and jiggling like jello.

3. Teacher yells, "Yellow Jello Relay." Kids stop wiggling and jiggling. Partner #1 runs to a color bin, takes a word card, and writes that word on his team's clipboard, then returns the card to the bin. He runs back to Partner #2, tells his partner the color and the partner takes a turn with a word of the same color.

4. Partner #2 runs to Partner #1 and names a NEW color. Play continues until all the color have been used.

5. RULE: If a partner chooses yellow, she must get a yellow card, copy the word onto her team's clipboard and ALSO write a word that rhymes with the word on the yellow card.

6. Finish with a lap on the field or a hike.

This game works nicely if the yellow cards have words that are easy to rhyme - common word family words.
