

Squirrels, Chipmunks, and Acorns

Happy Feet Kids' Club Running Game

1. Half of the kids are squirrels. They stand on one side of the field making squirrel sounds.

2. The other half of the kids are chipmunks. They stand on the other side of the field making chipmunk chatter.

3. Teacher scatters 200 "acorns" on the field. (We used plastic unifix cubes for acorns.)

4. Teacher yells, "Gather!". All the animal sounds stop and the squirrels and chipmunks run to gather acorns.

5. They gather ONE acorn at a time to put in their home or they may go to the other side's home and steal ONE acorn to put in their home.

6. All squirrels and chipmunks may only carry ONE acorn at a time.

7. Play and have fun!

Chip, chip, chip! Chatter, chatter, chatter!

8 Finish with a lap of the field or a hike.
