*High step and steer*

# A Duathlon

1. Cycle to the garden patch.
2. Run to find your fruits and vegetables.
3. Pick one or two fruits or vegetables at a time.
4. Take them back to your salad bowl.
5. Does the grass look greener on the other side? If so, run to another team's salad bowl and bring back one fruit or vegetable.
6. When the salads are complete, we'll cycle home.
