

# Chocolate Hearts

Chocolate hearts are in the hall.

Chocolate hearts are at the mall.

Chocolate hearts are playing ball.

It must be Valentine's Day.

I gave my love a chocolate heart.

He ate it right away.

Then he gave me a chocolate heart.

It must be Valentine's Day.

Chocolate hearts are on my cat.

Chocolate hearts are in my hat.

Chocolate hearts go pitter-pat.

It must be Valentine's Day.

I gave my love a chocolate heart.

Then he said, "I love you."

Next, he gave me a chocolate heart.

And I said, "Love you, too."

Chocolate hearts are in my car. Chocolate hearts are near and far.

Chocolate hearts are "everywhar". It must be Valentines Day!
