

# Chocolate Hearts for Sillies

I gave my love some chocolate hearts,  
Wrapped up in foil-pink,  
But before he even opened them,  
They were bathing in the sink.

Chocolate hearts bark like a dog.  
Chocolate hearts hide in the fog.  
Chocolate hearts jump like a frog.  
It must be Valentine's Day.

My love gave me a chocolate heart.  
I think it had the flu,  
'Cuz just as I put it in my mouth,  
I heard it go, "Achoo".

Chocolate hearts munch big corn flakes.  
Chocolate hearts ate three whole cakes.  
Chocolate hearts have tummy aches.  
It must be Valentine's Day!

Chocolate hearts come big and small. Chocolate hearts stand ten-feet tall.  
Chocolate hearts color on the wall. It must be Valentine's Day.
